

COMPETITOR INFORMATION

2012 NEWSLETTER #1

Attention Racers:

On behalf of (CSRA) Canadian Snowcross Racing, we welcome you to the 2011/2012 Snowcross racing season. This newsletter represents general information for the 2012 racing season.

If you are a new competitor interested in trying Snowcross racing for the first time, this newsletter will provide you with the necessary information to get you started.

The CSRA will conduct a **Free** Snowcross race seminar for new or first time competitors. The classroom type seminar will take place Sunday November 6, 2011 in Barrie, Ontario. Please Fax us or E-mail us (info@snowcross.com) in advance if you would like to attend. If you can not attend the race seminar, our staff and fellow racers will provide you with all the assistance you need to get you started at your first race.

At each CSRA event, competition classes will be available for all snowmobilers, from the first time race enthusiast to the world class professionals. Specialty race classes are available for Kids as young as (4) years of age. We also have classes for Novice racers, Juniors, Girls, Women, Veterans aged (30+) and Masters (40+) years of age.

Most late model stock or modified snowmobiles 600cc or under are eligible to compete in designated classes providing they meet our safety standards.

This winter CSRA will be awarding over \$160,000 in cash, prizes, and manufacturer contingency money to our competitors. As a CSRA member you are eligible to compete at CSRA sanctioned or CSRA affiliated events in Canada.

The CSRA will Sanction Canada's National Snowcross Racing series, and the Ontario Regional Series. The CSRA National series will consist of a minimum of (5) Canadian events for **Sport**, Semi-Pro and Pro racers who want to race for CSRA National Championships and the CSRA Canadian National #1 Plate.

GENERAL INFORMATION TO START RACING

This newsletter provides you with the basic information to start the race season. You will receive detailed information on race events, hotel accommodations, manufacturer contingency programs, entry forms, etc. in your membership kit after you become a 2012 CSRA member.

A 2012 membership form is attached, or you can sign up on line at www.snowcross.com

All racers are required to purchase a weekend, or annual 2012 CSRA membership to compete at any CSRA event. There is a \$26 discount if you purchase your annual membership before September 1st. Your name and race number will also be included in the official 2012 CSRA Race Program if you sign up before September 1st.

2012 Racer membership costs are as follows:

Annual - Racer - \$200 + HST	Total = \$226.00
Annual – Crew Member (Optional) for Ontario events only. \$150 + HST	Total = \$169.50
Annual - 120cc Child Racer membership - \$75 + HST	Total = \$ 84.75
Weekend Racer Membership - \$75 + HST (No points allocated)	Total = \$ 84.75

(See annual membership benefits with 2012 membership application form).

SAFETY FIRST

Competitor and spectator safety is the over riding priority at all CSRA events. Your machine and your personal safety equipment will be safety inspected before you compete for the first time.

Your snowmobile must be equipped with the following:

A tether cord kill switch, as well as, a thumb activated shut off switch. The switch must be located on the right hand side of your handlebars.

Head lights and tail lights must be operational and must be covered with clear tape.

The Ski tips or loops on your skis must be a minimum of 1" inch in diameter or width.

Ski loops must loop around and attach under the front Ski tip.

Your sled must also be equipped with a extended rear snow flap, that touches the ground when the racer is on the sled.

Warm up stands must be used when warming up all snowmobiles, including 120cc sleds.

Warm up stands must have a complete enclosure panel with side deflectors that will contain debris that may be thrown off the snowmobile track during the warm up procedure.

RACER SAFETY REQUIREMENTS

Racers must wear a **Snell 2005** or newer approved Full coverage helmet or **ECE 22.05** approved with eye protection. **75%** of your helmet must be bright blaze orange in colour. **Using a Credit Card, it should touch orange regardless of where the card is placed on your helmet.**

Racers also need gloves, good quality boots, shin and knee pads.

All racers are required to wear an approved upper body vest that provides full chest and back protection. Motocross Vests are not legal for Snowcross racing.

Approved vests are available from Tekrider. Phone: 705-488-2929. A limited supply of approved helmets, and vests will be available to purchase or rent on site at each event.

TRACTION PRODUCTS & CARBIDES

Studs: In most race classes, you are permitted to use a maximum of (96) studs in your track. (Studs **are not** permitted in 120cc classes, Novice 300 classes, Novice 1, or the Junior F1 class). In all other classes studs are permitted, the studs and backer plates must be located in the centre area between the slide rails. Studs must be located no more than 1.25" inches directly behind a leading track lug. Studs must be located a minimum of 4.25" inches from the edge of the track measured parallel to the surface of the track and measured from the track edge to the outside edge of the stud shaft. No part of the traction device including the backer plate, may be closer than 3.75" inches from the outside edge of the track.

Track studs must not be more than 3/8" taller than the track lug located directly in front of the stud. The maximum track lug height for all classes is 1.75 inches.

Studs must be commercially available, trail type studs with a minimum 60% angled carbide tip. Studs and backing plates can not be sharpened or modified at any time.

Ski Runners: Carbide runners must be commercially available 60% or 90% trail type carbides with a host bar that has rounded edges. Maximum carbide cutting edge insert length is 10" inches. Carbides can not be sharpened at any time. Oval or Ice racing carbides are **not** permitted. The minimum width for a carbide runner is 3/8" inch. Maximum width 5/8" inch. The maximum height for the carbide runner from the bottom of the ski is a maximum of 1/8" higher than the width of the carbide runner. Not to exceed 5/8" inch.

Example #1: If your carbide runner is 3/8" inch wide, the maximum total height for your carbide runner including carbide insert is 1/2" inch from the bottom of the ski surface..

Example #2: If your carbide runner is 1/2" inch wide, the maximum total height for your carbide runner including carbide insert is 5/8" inch from the bottom of the ski surface.

INTERNATIONAL SNOWMOBILE RACING (ISR) RULES

The rules in this newsletter are general racing guidelines. When you purchase your membership you will receive a copy of detailed I.S.R. rules. The CSRA operates under I.S.R. rules and guidelines unless otherwise written in one of our CSRA newsletters.

Competitors **can not** modify or remove or change any part of your snowmobile in any Stock racing classes unless it is written or approved in the International Snowmobile Racing (ISR) rule book or in a CSRA newsletter. **Racers are responsible to know all CSRA & ISR rules.**

COMPETITOR RACING NUMBERS

All racers must use 6 - 7" black racing numbers on white back grounds.

Racer numbers must be located on both sides of the snowmobile and must not be obstructed while you are racing.

Note: Current members will have last years race numbers reserved until **September 1, 2011.**

After September 1, race numbers will be allocated on a first come first serve basis.

Race #1 has been reserved for "Iain Hayden" the 2011 CSRA National Champion.

Two digit numbers are reserved for Pros and Semi-Pros only. All other racers must choose a three digit number between 100 - 999.
