NEWSLETTER #2

INFORMATION UPDATE & 2024 RACE SCHEDULE

Welcome Racers & Crew Members:

We hope you all had a great summer and are now preparing for the up coming race season. CSRA has finalized our plans for the 2024 Snowcross race series. We have (7) race weekends (16) race days scheduled. (See the attached schedule of events on page #2).

We are excited about the 2024 race season as this will be CSRA's 30th. year hosting Snowcross races in Canada. We are looking forward to returning to our regular race sites, as well as, returning to Timmins for our Season Opener on January 13 -14, and returning to Georgian Downs / Gateway Casino February 9-11.

Notes:

- Racers, if you have not purchased your 2024 memberships yet for your crew members, you should do that ASAP., All racers and crew members will need a CSRA issued neck lanyard with a 2024 ID Hard Card to enter the admission gates at each event.
- Working crew members may be parents and adults 18+ only with a valid 2024 CSRA Crew membership.
- Minors will need at least one parent or adult crew member to be with them in the hot pit areas including the staging lanes and Start line. (Spectators are not allowed in the hot pit areas).
- This winter each race event will have practice on Fridays. There will not be any practice on Saturday or Sunday mornings.
- There will not be any on site sign in, or registration, or class changes at the events.
- All racer registration for Memberships, Practice, Race Classes, and Transponder rentals, need to be done by the Monday prior to each event, online with LIVELAPS from the CSRA website link.
- **Data Acquisition devices** are not mandatory or required in any race classes at CSRA events.
- CSRA tech inspectors may temporarily attach a data acquisition device to any race sled at any time.

REGIONAL CLASSES: All 120s, Novice 200, Junior/Novice, Transition, Junior, Trail Sport, Sport 600 and UTV classes.

Friday afternoon Safety inspection and Practice for all classes at most race events.

CSRA tech staff will be on site Friday from 12:00 noon to 5:00PM for advance pit parking, prerace safety inspection and Practice. (After hours security will require Lanyards and Hard Cards to access property).

Note: When you arrive at the race site on Fridays., Only CSRA Racers & Crew members with lanyards and 2024 hard card ID will be permitted on site free of charge.

All other Youth (13+) and adults will be required to purchase a \$60 weekend pass.

Helmets and Upper body requirements:

Helmets may be any colour this year, ISR recommends Hi Vis colours.

Helmets need to be ECE 22.05 approved, or Snell 2020 or newer approved full coverage helmet.

Helmet cams or data acquisition devices are not permitted on helmets.

Racers competing with all full-size sleds are required to have a minimum of 144 sq. inches of

International Blaze Orange on upper body Front and Back.

(Blaze Orange is also recommended for 120cc and Novice 200cc racers).

Crew Safety Vests Requirements:

Racer crew members are required to wear Upper Body Safety Vests while they are in the Hot Pit Warm up area Staging Lanes and Starting Line areas. Crew Vests must be Snowcross type safety vests such as Tekvest they can be any style or color.

(Motocross Vests do not meet ISR standards and can not be used).

Contact Tekrider to see all the latest Tekvest products and new sales info: www.tekrider.com

Entry Fee Deadlines, Forms & Requirements:

This year all racers are required to register online with the LIVELAPS link on the CSRA website by Monday prior to each race event. The system allows racers to build a racer profile to promote your team and sponsors. See the attached LIVELAPS instructions and info. Your race entry is required by the Monday prior to each race weekend. (no exceptions). You can not register on site at the events and there is no Friday night sign in at the race site or hotels.

Safety Inspection Form:

All racers including 120s are required to have their race sleds safety inspected before they race. When your sled is inspected by CSRA officials a Safety Inspection band will be attached to your handlebars, this band must be visible at all times, otherwise your sled will need to be re-inspected before you enter the start line area.

Please see the attached safety Inspection Form check list and ensure your sled and rider safety equipment are ready for inspection when you arrive at your first race.

SERIES “OFFICIAL” PRODUCT SPONSORS

CSRA has many great sponsors that allow us to create our series of race events for you.

In addition to sponsoring CSRA, many of our sponsors will also provide discounts and special services to our racers and crew members when you show your 2024 CSRA membership card.

Please remember to support the sponsors that support your race series!!

2024 RACE SEASON

TRACK & PIT RULES & PENALTIES

- **Drivers Meetings / Racer & Crew Member Information:**

Racers and Crew members are required to be aware of current information for each race weekend. Be sure to attend your Driver & Crew information each race morning.

Yellow Flag: No passing or any airtime when a yellow flag is being waved. The Yellow flag zone is the area from where the yellow flag is flying to protect the downed rider or sled.

If a racer makes up time on the racer ahead in the Yellow Zone the racer will be penalized (1) position.

If a racer passes another racer or gets air over a jump in a yellow zone the racer will be assessed a (1) lap penalty or disqualification at the race director's discretion.

- **Speeding in Pits:** Be aware **ZERO TOLERANCE** The maximum (off track) speed limit at CSRA events is 10KMH. or walking speed. Racers or crew members that exceed this limit will be fined and or be required to leave the property.

- **Helmets and Tether Cords:** Must be used by all riders under (18) years of age any time a Powersports vehicle is moving on site at our events. Adults may move Powersports vehicles without a helmet at speeds under 10kkm. **Tether Cords** must be functional and must be hooked to the vehicle operator at any time that the sled is being moved.

Note: A minimum fine of \$100 will be allocated for each infraction.

- **Off Track while racing:** If a racer leaves the designated racetrack area while racing, the racer must stop completely and look for on coming racers before entering back onto the track at the first available trackside location. Otherwise, a (1) position or (1) lap or DQ penalty will be assessed at the discretion of the race director.

- **Start Line:** If a racer crosses the designated start line, or jumps the Green start light, the racer / racers will be moved to a back row start position, behind a front row sled, by the start line official.

- **Transponders:** Must be located in the correct position on the race sled. The Racer may not be scored without a functional transponder in the correct mounting position. (Confirm mounting position with Tech).

- **Fuel:** It is the racers responsibility to ensure that the correct legal fuel is used and proper limiters are in place if required for any given class as per ISR/CSRA rules. All full-size race sleds must use pure Sunoco Surge Race Fuel. Stock Mini sleds 120s & 200s are required to use 91 Octane pump gas without additives.

- **Verbal or Physical abuse:** Any racer or Crew member that threatens or verbally or physically abuses a CSRA official or another racer or crew member will be disqualified for the day, weekend, or race series at the discretion of the race director.

Racers & Crew members: Racers are responsible for their Crew members and must ensure that crew members are aware of current CSRA track and pit area rules.

Social Media: Be professional!! If you have something positive or complimentary to say about someone or something, go for it!! Any racer or crewmember that degrades others or creates negativity within the race circuit on any Social Media platform will be banned from attending future CSRA events. 6.

RACER# _____

2024 SAFETY INSPECTION FORM

BRING YOUR RIDER SAFETY EQUIPMENT TO INSPECTION WITH YOUR SLED

- _____ Snell 2020 or ECE 22.05 approved helmet with safety approval showing on the helmet.
